## Australian Bush Gumnut Christmas Bells

Using the natural greens and reds of our beautiful gum trees to compliment our Gumnut Bells these are a perfect Australian Bush Ornament for your Christmas decorating.

### You will need:

- Gumnuts
- Some bush treasures
- Glue gun
- Small craft bells
- Floristry wire
- Ribbon or lace

### Instructions:

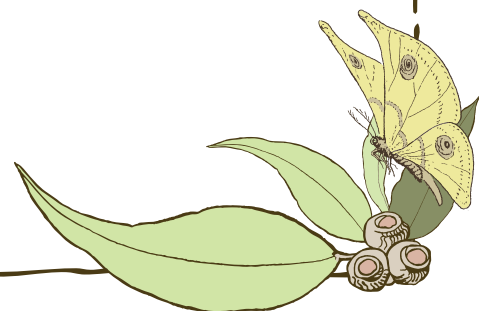

### Step 1:

For each gumnut you'll need a bell, we like two gumnuts together. You'll also need a sprig of colour we are using some gum leaves and some twigs of dried flower blossoms.

### Step 2:

Start by choosing your posy and preparing your finishing bow. We have used some recycled cotton lace to compliment our gumnut nature craft.

### Step 3:

Once you have your pieces sorted start by gluing your gumnut posy together.

### Step 4:

Glue the bells into the bottom of your gumnuts.

### Step 5:

Finish your Gumnut Christmas Bells by gluing on your festive bow and adding a little wire hook to the back so you can hang your ornament.

Your Australian Bush Gumnut Christmas Bells are complete and a gorgeous way to add the Australian bush to your Christmas.
